

UNIT 10

CONCEPT OF WRITING IN NURSING PART 7

Lecturer:

Ruffel Joy C. Manalo, RN, MAN
Faculty of Nursing
Nakhon Pathom Rajabhat University
Thailand

English for Nursing Communication II

Team Lecturers:

Natthaya Chergchalard-Chooprom, RN, MNS
Ruffel Joy C. Manalo, RN, MAN
Labmie Lynnette L. Dematoque, RN, MN, RM
Faculty of Nursing
Nakhon Pathom Rajabhat University

OUTLINE

1. Concept of academic reading in nursing
 - reading strategies and exercises applicable to answer news, research articles, commentaries, academic paper healthcare issues
2. Concept of active listening in nursing Part 1
 - news related listening exercises
3. Concept of active listening Part 2
 - conversation, lecture listening related exercises
4. Concept of writing in nursing Part 1
 - narrative writing related activities
5. Concept of writing in nursing Part 2
 - nurse' resume related writing activities
6. Concept of writing in nursing Part 3
 - nurses' notes writing related activities
7. Concept of writing in nursing Part 4
 - nursing care plan writing related activities
8. Concept of writing in nursing Part 5
 - laboratory reports related activities
9. Concept of writing in nursing Part 6
 - hand over reports/nurses' endorsement reports
10. Concept of writing in nursing Part 7
 - case study related activities
11. Concept of writing in nursing Part 8
 - writing research papers
12. How to communicate with patients in the medical ward
 - listening, reading, writing related exercises
13. How to communicate with patients in the surgery ward
 - listening, reading, writing related exercises
14. How to communicate with patients in the orthopedic ward
 - listening, reading, writing related exercises
15. How to communicate with patients in the maternal and child ward
 - listening, reading, writing related exercises

5. PRACTICE TEST

Directions: List down five (5) possible nursing diagnoses and generate at least two (2) nursing interventions each based on the case study then submit to the lecturer's email:

rjcm02071982@gmail.com

5. PRACTICE TEST: CASE STUDY

SITUATION

Patient: Mrs. Higgins

Today's date: February 5, 2021

Diagnosis: Orthostatic hypotension

Admit date: February 5, 2021

Physician: Yet to confirm

BACKGROUND

Medical history: Osteoarthritis: hip arthroplasty 10/04

Osteoporosis

Labyrinthitis

Colon cancer stage II: 2000

Allergies: pressure urticaria and cholinergic urticaria Fall precautions: High risk

Code Status: Not applicable (N/A)

Restraint precautions: Not applicable

Current treatments / interventions:

Medications:

fluoxetine (100mg daily)

fosamax (70mg weekly)

multivitamin injection (MVI daily)

loratadine 10mg

ASSESSMENTS:

Neuro: dizziness, some memory impairment

Respiratory: not applicable (N/A)

Cardiac: orthostatic hypotension

GI/GU: nausea and vomiting (emesis)

Musculoskeletal: not applicable (N/A)

Skin: rashes on trunk and thighs

Dressing due: not applicable (N/A)

Psychosocial: emotionally stressed

Last vital sign: BP 150/68 mmHg HR 80 bpm

RR _____ Temp _____

Pain scale: _____

Accu checks: not applicable (N/A)

Abnormal lab: normal lipid panel (blood chem)

positive ANA, 1:160

normal ESR

X-ray results: not applicable (N/A)

Lines / fluids: not applicable (N/A)

IV dressing due: not applicable (N/A)

Recommendations:

Goals: Follow ups with more research on older adults' diseases or illness presentation with aging

Consults: Geriatrician

Tests / treatments: Treat pressure urticaria and cholinergic urticaria

Discharge needs: Management of depression, ADLS

5. PRACTICE TEST: FORMAT

Nursing Diagnosis:

1. _____

Nursing Interventions:

1. _____

2. _____

มหาวิทยาลัยราชภัฏนครปฐม
Nakhon Pathom Rajabhat University

A nighttime photograph of a large, modern university building with multiple stories and a curved facade. The building is illuminated with blue and white lights. In the foreground, there is a large, open area that appears to be a sports field or a parking lot, also lit with blue light. The sky is dark blue.

THANK YOU!
