Grammar- Present perfect for/since/just/yet/already

We use the present perfect to talk about a period of time up to the present

for, since, just, yet, and **already** are adverbs that are commonly used with the present perfect tense to provide additional information about the timing, duration, or completion of actions or events.

I've lived here **for ten years.**

(period of time: for an hour, for two months, for a year)

She has worked here **since she graduated.**

(period of time: since 1 p.m., since 1998, since May 23)

John has **just bought a new plasma TV.**

(very recently)

Have you seen the latest 5G phones **yet?**

(before now, used in questions and negatives)

She has **already left for the airport.**

(before now, quicker than expected)

Grammar- Present perfect for/since/just/yet/already

We use the present perfect to talk about a period of time up to the present

for, since, just, yet, and **already** are adverbs that are commonly used with the present perfect tense to provide additional information about the timing, duration, or completion of actions or events.

I've lived here for ten years.

(period of time: for an hour, for two months, for a year)

She has worked here since she graduated.

(period of time: since 1 p.m., since 1998, since May 23)

John has just bought a new plasma TV.

(very recently)

Have you seen the latest 5G phones yet?

(before now, used in questions and negatives)

She has already left for the airport.

(before now, quicker than expected)
