Talking about Weather

PART 6 Production:
Situation

Situations

😊 **You and your friend are waiting at the bus stop in the morning. You notice the weather and start talking about it.**

Instruction

Write a short conversation between you and your friend about the current weather and your feelings or plans related to it.

1. Write a dialogue about two people.
2. Include at least 6-8 lines.
3. Talk about: -What the weather is like today.
   -How you feel about the weather.
   -Any plans that are affected by the weather.

NPRU

A sample conversation

E.g.

Anna : Good morning! It's really cold today, isn't it?

Lisa : Yeah, I didn't expect it to be so cold. I should've brought a jacket.

Anna : Me too! I checked the weather forecast last night, but it didn't say it would be this cold.

Lisa : Do you think it's going to rain later?

Anna : Maybe. The sky looks pretty cloudy.

Lisa : I hope not. I was planning to go to the library after the lecture.

Anna : Same here. Let's keep our fingers crossed!
