B: Right! It is one of the most popular, and it is the Thai New Year.

A: Oh, Isn't that the water festival?

B: Exactly! It takes place in April, and people splash water on each other to celebrate and cool off.

A: That sounds like so much fun! Why do people splash water to others?

B: Yes, the water symbolizes cleansing and starting fresh. It's also a time to pay respect to elders and visit temples.

A: That's really meaningful. I would like to join next time!

B: You definitely should! It's one of the happiest times of the year.
